SUNSHINE® WEEK

MARCH 15-21, 2026

OPEN GOVERNMENT IS GOOD GOVERNMENT.

It's Sunshine Week, the annual celebration of access to public information. South Carolina's Freedom of Information Act – also known as the Sunshine Law – shines a light on public records and open government.

Use the FOIA to see how public officials are making decisions that affect you and your community.

Exercise your right to know.

LEARN MORE

Understand the law. Check out our Citizen's Guide to the Freedom of Information Act. It's available for free at scpress.org/FOI.
